

HOPE 2020 RiSING

▶ VETERANS WEEK OF SERVICE

SPONSORED BY

MONTLICK & ASSOCIATES
INJURY ATTORNEYS

November 9th-13th

Veterans are 50% more likely to experience homelessness than the average American. If you believe that our heroes deserve our full support and more, join us in saying “thank you” during this week of service. We're collecting necessities to help veterans experiencing or transitioning out of homelessness. Donate individually or rally friends and family for a bigger impact!

HOPE Bags – Provide hygiene essentials to unsheltered veterans and their families

Cleaning Kits – Help a veteran and their family keep up their new house

Move-In Kits – Give household essentials that help veterans and their families feel at home

Snack Bags – Help our outreach team connect with unsheltered vets and keep them nourished

Schedule your drop-off on November 13 during business hours by emailing christine@hopeatlanta.org or call 404-574-1678.
